

Kinetic Hosts Broken Arrow Community Celebration

September 12, 2025 4:00 PM EDT

- *Kinetic donated \$7,500 as well as Goods, Services to Broken Arrow Neighbors, Soldier's Wish*
- *Free community appreciation event featured local vendors, food, and entertainment*

BROKEN ARROW, Okla., Sept. 12, 2025 (GLOBE NEWSWIRE) -- Kinetic, a leading provider of residential and business fiber internet services, gathered employees from across the area here for a week-long "Kinetic Commitment to Community" event.

The week began with Kinetic employees volunteering with two local nonprofit organizations within Broken Arrow for days of service, including:

- Donating a much-needed ping pong table to the **Broken Arrow Senior Center** for local seniors to enjoy, complete with all equipment necessary for a great afternoon.
- Gathering at **Broken Arrow Neighbors** for a community service outreach event to provide local families in need with meals, finances, and educational resources.
- Hosting the *Light It Up* celebration in the Rose District for residents, elected leaders, businesses and visitors.
- Donating \$7,500 to two local nonprofit organizations in recognition of their ongoing service to the Broken Arrow community: \$5,000 to **Soldiers Wish** and \$2,500 to **Broken Arrow Neighbors**.

"As a local business in Broken Arrow, we see how important Soldier's Wish and Broken Arrow Neighbors are to those Oklahomans in need," said Aaron Morris, director of Kinetic Operations in Broken Arrow. "We hope the event provided an opportunity for local residents to enjoy an evening with our team and celebrate impactful nonprofits in the area."

Attendees enjoyed local food and beverages from vendors, including **Civilians Food Truck** and **Platinum Event Service**.

"Soldier's Wish is profoundly grateful to Kinetic for their steadfast support over the years and for their recent \$5,000 contribution presented at their community appreciation event," said **Debra Wimpee, Mayor of Broken Arrow**. "Kinetic's continued commitment to giving back exemplifies true community leadership, and we are honored to partner with such a dedicated and service-minded organization."

Kinetic delivers fiber internet across the Broken Arrow area, providing fast, reliable connectivity designed for modern homes and businesses. Fiber internet offers symmetrical upload and download speeds, ultra-low latency for real-time applications, and greater reliability than legacy copper connections.

Kinetic currently has ongoing construction across the area, bringing new fiber service to tens of thousands of Oklahomans. If you want service, or to stay up to date with progress, visit: www.GoKinetic.Com.

When consumers choose Kinetic fiber, they get: 99.9% network reliability, Gig speeds, equally fast uploads and downloads, no annual contracts or data caps, and more.

Kinetic:

Kinetic, a Uniti (NASDAQ: UNITI) brand, builds and provides multi-gigabit fiber internet, whole-home Wi-Fi, internet security, and voice services reaching approximately 1.7 million fiber households in 1,400 markets across 18 states in the Southwestern, Southeastern, Midwestern and Northeastern U.S. Additional information about Kinetic is available at gokinetic.com.
